Pioneers of the Single Seat Transportable Golf Cart

PATTERSON PRODUCTS LTD

5000 Buggies in use throughout the world

Patterson Products - Bringing style to the course with their single seat transportable golf carts, with the Trio 3 wheeled cart being the first successfully marketed Electric Ride-on vehicle.

Introduced in 1986, it is still the best selling vehicle of its type in the market. Our buggies are a regular sight on golf courses throughout the world.

The family owned company has gained a reputation for its helpful and knowledgeable team.

We are supporters and suppliers to the Handigolf Foundation, a charitable trust for the disabled golfers, most of whom, play golf from the seated position.

Patterson Products are also supporters and suppliers to 'Event Mobility' a charity who provide off-road vehicles for outdoor events, such as County Fairs, Golf Tournaments, and The Royal Windsor Horse Show.

...We have a wide range of vehicles for all types of situations, Courses and golfers .

For any further information please don't hesitate to call us on the telephone number shown on the back cover.
